RELEVANT EXPERIENCE

Hybrid Apparel

Senior Financial Analyst – Los Angeles, CA

April 2025-Present

- Lead budgeting, forecasting, and consolidated P&L reporting across multiple business units and sister entities; own balance sheet and bank reporting requirements; and manage the P&L analyst while modernizing KPI analytics and governance through AI-enabled automation.
- Direct monthly financial reporting and ad-hoc financial analysis for senior leadership, leveraging AI tools and VBA automation to accelerate reporting, enhance data integrity, and strengthen strategic decision support.

Financial Analyst II – Los Angeles, CA

April 2024-April 2025

- Spearheaded financial planning and forecasting processes, crafting detailed models and conducting sensitivity analyses. Supported M&A evaluations, resource allocation, and cash management, aligning financial strategies with corporate goals.

Chedraui USA

Financial Analyst – Los Angeles, CA

September 2023-April 2024

- Developed and managed financial models for complex projects, resulting in accurate forecasts and timely decision-making.
- Analyzed financial data from multiple sources to identify trends, patterns, and outliers, providing insights to inform business decisions on pricing, product development, and marketing strategies.

Senior Sales Analyst & Pricing Manager – Los Angeles, CA

December 2017-September 2023

- Developed and implemented a dynamic market price comparison program which decreased pricing discrepancies in the data collected and in turn improved the company's pricing strategy and margin by 2%.
- Analyzed and forecasted weekly, monthly, and yearly sales for seven purchasing departments which accounted for over 40% of the company's total revenue to identify potential categories for sales improvements and product turn over.

Herbalife International

Data Analyst – Los Angeles, CA

September 2017-December 2017

- Managed large data sets through Oracle based programs to generate interactive reports for the receipting department which measured the productivity of internal pilot programs and led to the increase of net sales in the U.S.

Milwaukee Tool

June 2011-June 2015

Sales Territory Manager – Miami, FL (\$10M market)

- Drove 43% revenue growth, 39% profit growth, and 40% market share expansion by effectively and quickly building relationships through financial analysis and the successful execution of national and local strategies.

Additional Information

Microsoft Excel: Advanced user able to apply an array of complex formulas, create Power Queries, Macros, and adjust VBA.

Technical Skills: SQL. PowerBi. JMP (Regression Modeling). Microsoft Office Suite, and Salesforce. Python (beginner).
